Online media and journalism: challenges and accountability

Amendment¹ No. 2

tabled by the Committee on Legal Affairs and Human Rights

In the draft resolution, after paragraph 3, insert the following paragraph:

"As constantly stressed by the European Court of Human Rights in its case law, the press plays a vital role in a democratic society in imparting information on matters of public interest. It acts as a "public watchdog", allowing members of the public to discover and form opinions about the attitudes and actions of political figures."
