

Doc. 14217
24 January 2017

Ending cyberdiscrimination and online hate

Amendment¹ No. 4

tabled by the Committee on Culture, Science, Education and Media

In the draft resolution, at the end of paragraph 2, after the words "hate speech", insert the following words:

"and incitement to violence".

Explanatory note

Incitement to violence is inherent, but does not entirely coincide with hate speech; for this reason it is suggested to mention it explicitly so that action against hate speech could also help to address more adequately this intertwined phenomenon.
