

Doc. 14225
26 January 2017

Human rights compatibility of investor–State arbitration in international investment protection agreements

Amendment¹ No. 9

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, at the end of paragraph 7, insert the following words:

"However, the Assembly considers that, in developed countries such as the United States, Canada and member States of the European Union, ISDS clauses and a permanent, multilateral ICS are not necessary to protect foreign investors."
