

Doc. 14225
26 January 2017

Human rights compatibility of investor–State arbitration in international investment protection agreements

Amendment¹ No. 15

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, replace paragraph 10.5 with the following paragraph:

"review whether any existing ISDS clauses in international investment agreements that they have entered into are eligible for change and, if so, assess their appropriateness and bring them into line with the best practices foreseen for the future ICS."
