

Doc. 14284
25 April 2017

Protecting refugee women from gender-based violence

Amendment¹ No. 6

tabled by the Committee on Migration, Refugees and Displaced Persons

In the draft resolution, at the end of paragraph 5.3.1, add the following words:

", and aim at full protection, including refugee status".

Explanatory note

The European Union provides refugee status for women and girls where there is well-founded fear of violence, but research by Nora Markard (2006) has shown that some member States only give them one year's subsidiary protection.
