Doc. 14260
26 April 2017

The protection of the rights of parents and children belonging to religious minorities

Amendment[1] No. 5

In the draft resolution, after paragraph 5.4, insert the following paragraph:

"The Assembly also calls on the Venice Commission to prepare and publish guidelines on how Member States should protect and implement the rights of parents and children belonging to religious minorities."

Explanatory note

Due to the somewhat equivocal interpretation of certain rights, this additional paragraph is to provide advice to governments that will assist them in the application of these specific human rights.
