

Doc. 14341  
27 June 2017

## Human rights implications of the European response to transit migration across the Mediterranean

### Amendment<sup>1</sup> No. 8

*In the draft resolution, after paragraph 12.1.3, insert the following paragraph:*

"end the systematic detention of rejected asylum seekers and make a proportionality test in each individual case, in accordance with the principles of Article 5 of the European Convention on Human Rights and substantially improve detention circumstances and, in that light, abolish the practice of detaining migrants in police stations."
