

Doc. 14342
27 June 2017

A comprehensive humanitarian and political response to the migration and refugee crisis in Europe

Amendment¹ No. 1

tabled by the Committee on Political Affairs and Democracy

In the draft resolution, paragraph 1, replace the words "the migrant and refugee crisis remains one of the main challenges facing European countries" with the following words:

"no comprehensive humanitarian and political response has yet been given to the challenges raised by the large-scale migratory and refugee flows into Europe".
