

Doc. 14401
09 October 2017

The activities of the Organisation for Economic Co-operation and Development (OECD) in 2016-2017

Amendment¹ No. 9

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, at the end of paragraph 12, insert the following sentence:

"It also calls on the OECD to investigate the impact of trade and investment agreements on inequality."

Explanatory note

Having established that inequality hampers growth, further analysis of the policy prescriptions for tackling inequality is required.
