## Prosecuting and punishing the crimes against humanity or even possible genocide committed by Daesh

### Amendment<sup>1</sup> No. 3

tabled by the Committee on Political Affairs and Democracy

In the draft resolution, in paragraph 6.2.3, after the word "Iraq", insert the following words:

", in particular not granting refugee status to fighters who may have committed acts of genocide and/or other serious crimes prohibited under international law and who seek international protection on returning to Europe, in accordance with the exclusion clauses provided for in Article 1F of the United Nations Convention of 28 July 1951 on the status of refugees"
