## The new Ukrainian law on education: a major impediment to the teaching of national minorities' mother tongues

### Amendment<sup>1</sup> No. 8

*In the draft resolution, delete paragraph 13.*

#### *Explanatory note*

The report refers to the situation in Ukraine and not to other member States. This paragraph is profoundly inaccurate concerning at least Romania where all the national minorities, including the Ukrainian one, are, upon their request, beneficiaries of a monolingual education (Taras Shevchenko high school in Sighetu Marmatiei).
