

Doc. 14464
23 January 2018

Working towards a framework for modern sports governance

Amendment¹ No. 8

tabled by the Committee on Culture, Science, Education and Media

In the draft recommendation, replace the words "the active role EPAS" with the following words:

"the role of the Council of Europe, notably through the active involvement of EPAS,".

Explanatory note

This amendment is a factual correction. Formally speaking, it is the Council of Europe and not EPAS that is represented in the new International Partnership against Corruption in Sport (IPACS). However, EPAS has played a pivotal role in setting up IPACS and this merit should be emphasised.
