

Doc. 14464
23 January 2018

Working towards a framework for modern sports governance

Amendment¹ No. 6

tabled by the Committee on Culture, Science, Education and Media

In the draft resolution, paragraph 23, replace the word "resolves" with the following words:

"invites its Committee on Culture, Science, Education and Media".

Explanatory note

Under the original proposal the decision to establish the Alliance would require a fresh report and the adoption of a new resolution. This amendment speeds the process: the committee would submit a proposal directly to the Bureau of the Assembly for decision, without the need to adopt a new resolution.
