

Doc. 14452
23 January 2018

Good football governance

Amendment¹ No. 3

tabled by the Committee on Culture, Science, Education and Media

In the draft resolution, after paragraph 15, insert the following paragraph:

"The Assembly asks FIFA, UEFA and the bodies representing leagues, clubs and players at national and international levels to take the expertise of GRECO into consideration with a view to improving, where applicable, their internal control procedures and also stepping up supervision in relation to dubious transfer transactions."

Explanatory note

It is important to draw the attention of partners in the football world to GRECO's expertise; this body would be willing to collaborate with FIFA, UEFA and other partners so wishing, in order to analyse their control systems and identify any areas for improvement.
