23 January 2018

Protecting children affected by armed conflicts

Amendment¹ No. 3

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, after paragraph 5.6.2, insert the following paragraph:

"facilitating and encouraging specialised assistance to child refugees, migrants and internally displaced persons through vocational training when they arrive in safe destinations, including in European countries, in order ultimately to ensure their economic and social integration in the host country."
