

Doc. 14443
25 January 2018

Jurisdictional immunity of international organisations and rights of their staff

Amendment¹ No. 6

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft recommendation, replace paragraph 1.3 with the following paragraph:

"initiate reflection on:

1.3.1. ways to ensure that the Administrative Tribunal of the Council of Europe is also accessible to trade unions;

1.3.2. whether the Administrative Tribunal of the Council of Europe should be complemented by an appellate judicial body, either within the Council of Europe itself or by pooling resources with other international organisations in order to create a joint appeals body for several administrative tribunals;"
