Mr Hendrik DAEMS, Belgium, Alliance of Liberals and Democrats for Europe

Ms Olena SOTNYK, Ukraine, Alliance of Liberals and Democrats for Europe

Mr Petri HONKONEN, Finland, Alliance of Liberals and Democrats for Europe

In the draft resolution, paragraph 4, replace the third sentence with the following sentence:

"In this context, urban, estuarial and island development models deserve special support so as to tap the huge potential of green growth in serving both the population and the climate cause".

Explanatory note

Islands play an essential role in sustainable developments and count with untapped potential to drive the transition to a more sustainable economy.
