24 April 2018

Humanitarian needs and rights of internally displaced persons in Europe

Amendment¹ No. 10

In the draft resolution, after paragraph 7.5, insert the following paragraph:

"support the upcoming reform to social assistance for IDPs in Georgia from a system based on status to one informed by needs and vulnerabilities, hence addressing the needs of the most vulnerable and also ensuring the mainstreaming of IDPs in the social assistance mechanisms for the Georgian population."
