

Doc. 14527
24 April 2018

Humanitarian needs and rights of internally displaced persons in Europe

Amendment¹ No. 17

In the draft resolution, paragraph 5.1, replace the words "who disappeared either in Cyprus or were transferred to Turkey as prisoners of war" with the following words:

", at the same time welcoming the financial support of the Turkish Cypriot side to this Committee".

Explanatory note

The call to support CMP should be made to all relevant parties, which not also includes Greece and all parties that were on the island providing support to the United Nations Force in Cyprus (UNFICYP) since 1964. Therefore, the wording should be changed to reflect the contribution of the Turkish Cypriot side to the Committee.
