## Migration from a gender perspective: empowering women as key actors for integration

### Amendment<sup>1</sup> No. 9

tabled by the Committee on Migration, Refugees and Displaced Persons

*In the draft resolution, after paragraph 8.13, insert the following paragraph:*

"collect and produce detailed gender-specific statistical data on migrants and refugees, in order to define most pressing needs, to detect specific vulnerabilities and strengths and to allow for developing targeted and more individualised national integration policies."
