Nuclear safety and security in Europe

Amendment¹ No. 5

Mr Yıldırım Tuğrul TÜRKEŞ, Turkey, European Conservatives Group
Mr Kamil AYDIN, Turkey, European Conservatives Group
Ms Arzu ERDEM, Turkey, European Conservatives Group
Lord Richard BALFE, United Kingdom, European Conservatives Group
Mr Akif Çağatay KILIÇ, Turkey, European Conservatives Group
Mr Serhii KIRAL, Ukraine, European Conservatives Group

In the draft resolution, replace paragraph 8 with the following paragraph:

"The Assembly expresses its deep concern regarding the construction of any new nuclear power plant in an earthquake-prone region in Europe."

Explanatory note

Singling out Akkuyu nuclear power plant in the draft resolution among 15 other reactors under construction when the case of Akkuyu has not even been considered in the explanatory part of the report is unacceptable and damages the coherence of the report.
