The role of national parliaments in successful decentralisation processes

Amendment¹ No. 4

Mr Serhii KIRAL, Ukraine, European Conservatives Group
Ms Olena SOTNYK, Ukraine, Alliance of Liberals and Democrats for Europe
Mr Vladyslav GOLUB, Ukraine, Group of the European People's Party
Ms Nino GOGUADZE, Georgia, European Conservatives Group
Mr John HOWELL, United Kingdom, European Conservatives Group

In the draft resolution, paragraph 7.1.5, delete the words "matching the financial and fiscal capacities of local and regional authorities with their responsibilities".

Explanatory note

In many member States, share of responsibilities delegated to local authorities is exceeding the available resources. It is a dangerous tendency, particularly with the growth of populist movements and populist parties coming to power and taking part in forming governments, which then transfer responsibilities, but not resources to local authorities.
