

Doc. 14843
08 April 2019

Promoting parliaments free of sexism and sexual harassment

Amendment¹ No. 4

tabled by the Committee on Equality and Non-Discrimination

Amendment to the draft recommendation

In the draft recommendation, paragraph 3, replace the words "looks forward to the adoption by the Committee of Ministers of a recommendation to prevent and combat sexism as well as" with the following words:

"welcomes the adoption by the Committee of Ministers of a recommendation on preventing and combating sexism. It also looks forward to"

Explanatory note

the amendment aims at updating the draft recommendation, as on 28 March 2019 the recommendation on preventing and combating sexism was adopted by the Committee of Ministers.

1. 2019 - Second part-session
