

Doc. 14900
24 June 2019

Strengthening the decision-making process of the Parliamentary Assembly concerning credentials and voting

Amendment¹ No. 26

In the draft resolution, delete paragraph 3.

Explanatory note

The ad hoc committee proved to be an endless talking shop which never addressed the real issues. Instead of using these two years usefully negotiating a solution with the Russian Federation, time was wasted on talking aimlessly. This paragraph is needlessly self-congratulatory while the real achievement was extremely poor.
