

Doc. 14958
30 September 2019

Improving the protection of whistleblowers all over Europe

Amendment¹ No. 1

In the draft resolution, paragraph 6, after the word "Hungary" insert the following word: ", Italy"

Explanatory note

Italy approved the law n. 179/2017 with a new regulation on the protection of whistleblowers. Therefore we think it's necessary to add Italy to the list of the COE Countries having specific rules on whistleblowers.
