

Doc. 14957
01 October 2019

Protecting and supporting the victims of terrorism

Amendment¹ No. 2

In the draft resolution, at the end of paragraph 2, insert the following sentence: "Moreover, all victims must see their rights to truth, justice and reparation guaranteed."

Explanatory note

Adding this final sentence emphasises the idea that all victims have the right to know the truth and repair the pain, and consequences of what happened to them and besides, to exercise their right to justice.
