Reported cases of political prisoners in Azerbaijan

Amendment¹ No. 1

In the draft resolution, after paragraph 6, insert the following paragraph:

"The Assembly notes that family members of political prisoners are often subjected to undue pressures and event to physical attacks by the government authorities. It regrets that Frangiz Huseynova - mother of Mehman Huseynov, former political prisoner, and Emin Huseynov, founder of Institute for Reporters' Freedom and Safety - died in mysterious circumstances in a hospital; calls upon Azerbaijani authorities to fully investigate the death of Frangiz Huseynova; urges the Azerbaijani Government to stop the use of deprivation of citizenship to silence human rights defenders, like Emin Huseynov, who exposed cases of politically motivated prosecution."
