## Judges in Poland and in the Republic of Moldova must remain independent

### Amendment<sup>1</sup> No. 21

*In the draft resolution, delete paragraph 14.2.4.*

#### *Explanatory note*

The assemblies of judges have the same power in respect of appointment, promotion and dismissal of judges as they have before. It was and still is only a consultative power and the opinions of the assemblies were never binding for NCJ. The only difference is that now the assemblies cannot obstruct the proceedings by abstaining from adopting the resolution.
