

Doc. 15205
25 January 2021

Restrictions on NGO activities in Council of Europe member States

Amendment¹ No. 3

In the draft recommendation, paragraph 1.8, replace the words “the Organisation for Security and Co-operation in Europe and the European Union”, with the following words:

“and the Organisation for Security and Co-operation in Europe”

Explanatory note

Almost half of the member countries of the European Council are not the European Union members. On the other side, there are a number of other regional international organizations in Europe. Selecting only one seems to be incorrect.
