

Doc. 15216
27 January 2021

Challenge, on substantive grounds, of the still unratified credentials of the parliamentary delegation of the Russian Federation

Amendment¹ No. 10

In the draft resolution, paragraph 5, replace the last sentence with the following sentence:

"This amendment to the Russian Constitution not only ignores multiple demands of this Assembly with regard to the solution for the Crimea issue, but it is in a contradiction with the international commitments of the Russian Federation and international law."
