

Doc. 15252
16 April 2021

The Assembly's vision on the strategic priorities for the Council of Europe

Amendment¹ No. 6

In the draft resolution, paragraph 20, after the second sentence, add the following sentence:

"The efforts of the Assembly to increase the 'involvement of civil society' in the activities of the Council of Europe should not lead to a dilution of the intergovernmental nature of the Organisation and the leading role of intergovernmental institutions."

Explanatory note

The most important part of the CoE's activities is its intergovernmental component, and this aspect should be recorded in the resolution.
