

Doc. 15252
16 April 2021

The Assembly's vision on the strategic priorities for the Council of Europe

Amendment¹ No. 10

In the draft resolution, paragraph 11, after the words "(ETS No. 158)", insert the following words:

", as well as the Turin Protocol (ETS No.142)"

Explanatory note

From a good democratic governance perspective, the Assembly should make a strong call for its own involvement in the election of members of the European Committee of Social Rights (ECSR), as foreseen by the Turin Protocol amending the European Social Charter. Even though it did not enter into force, all the provisions of this Protocol have been implemented (by decision of the Committee of Ministers) except the election of the members of the ECSR by PACE.
