

Doc. 15310
18 June 2021

Overcoming the socio-economic crisis sparked by the Covid-19 pandemic

Amendment¹ No. 2

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, after paragraph 8.2.7, insert the following paragraph:

"urgently expand production capacity for Covid-19 vaccines and medicines worldwide through know-how and technology transfer via compulsory licensing arrangements, as well as a temporary waiver under the WTO's TRIPS agreement, as appropriate, and donate part of the existing vaccine stock to the countries most in need;"
