

Doc. 15310
18 June 2021

Overcoming the socio-economic crisis sparked by the Covid-19 pandemic

Amendment¹ No. 8

tabled by the Committee on Equality and Non-Discrimination

In the draft resolution, after paragraph 8.2.7, insert the following paragraph:

"combat all forms of gender-based violence and domestic violence".

Explanatory note

Violence against women is a clear violation of human rights, which also has a high economic cost to our societies. Preventing it is thus not only a basic question of human rights, but also clearly preferable from an economic perspective.
