

Doc. 15250
22 June 2021

For a European policy on diasporas

Amendment¹ No. 3

In the draft resolution, paragraph 9.7, after "access to public", insert the words:

"and international".

Explanatory note

Access to sufficient resources is key for diaspora communities in order to enable them to reach their full potentials and to be properly beneficial to their host countries. For this reason, access to international funding is also of utmost importance. Therefore, it should be inserted into this paragraph.
