

Doc. 15250
22 June 2021

For a European policy on diasporas

Amendment¹ No. 6

In the draft resolution, at the end of paragraph 6, insert the following sentence:

"In this regard, the Assembly emphasizes the need to provide national diasporas with the opportunity to freely develop social and cultural relations with their country and society of origin, as well as to provide them with the opportunity to freely conduct public activities on preserving their ethno-cultural identity, supporting their native language in the country of residence."

Explanatory note

Such a formulation would correspond to the general approaches of the Council of Europe in this area.
