Consequences of the Russian Federation's aggression against Ukraine

Amendment¹ No. 5

In the draft opinion, paragraph 1, replace the first sentence with the following sentence:

"In continuation of the war of aggression waged by the Russian Federation against Ukraine since 20 February 2014, as of 24 February 2022, Russia has escalated its military activities against Ukraine to unprecedented levels, causing thousands of civilian casualties, displacing millions of people and devastating the country."
