

Doc. 15546
22 June 2022

The honouring of membership obligations to the Council of Europe by Malta

Amendment¹ No. 2

In the draft resolution, paragraph 1, last sentence, after the words "Maltese authorities", insert the following words:

"to continue their work and efforts"

Explanatory note

The public inquiry into the assassination of Daphne Caruana Galizia published its report on 29 July 2021. The Board of the Public Inquiry made several recommendations, some of which will require time to be fully assessed and implemented. However work to implement these recommendations has already begun, alongside other reforms.
