

Doc. 15608
13 October 2022

Preventing vaccine discrimination

Amendment¹ No. 1

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, paragraph 12, third sentence, replace the words "and new infringements on human rights and fundamental freedoms may still occur in the future" with the following words:

"and new public health measures may be necessary in the future which risk leading to infringements on human rights and fundamental freedoms"
