

Doc. 15608
13 October 2022

Preventing vaccine discrimination

Amendment¹ No. 5

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, after paragraph 12.7, insert the following paragraph:

"follow WHO advice and refrain from imposing blanket travel bans, which have proven to be ineffective from a public health perspective, and which may interfere with the right to family life and, in cases concerning children, with the best interests of the child, and disproportionately impact individuals and families from countries that have been undermined in equitable access to vaccines;"
