The honouring of membership obligations to the Council of Europe by Hungary

Amendment¹ No. 3

In the draft resolution, after paragraph 14, insert the following paragraph:

"The Council of Europe recognizes that Hungary, as the result of the dialogue based on cooperation with the EU Commission, accepted with a large parliamentary majority 17 modifications of different laws in September 2022. These laws further improved the functioning of democratic institutions by strengthening the transparency of the legislative process by requiring public dialogue and consultation, tightening the rules on conflict of interests in public trust funds and setting up an independent anti-corruption authority."
