Pushbacks on land and sea: illegal measures of migration management

Amendment¹ No. 13

In the draft resolution, at the end of paragraph 11.1.5, insert the following words:

"to enable non-governmental organisations to cope with the complexity of rescue operations and to ensure the safety of migrants and operators, member States are invited to introduce specific provisions and clear rules to be applied, which must be established in consultation with the European Commission and in co-operation with the relevant stakeholders;"
