

Doc. 15608
13 October 2022

Preventing vaccine discrimination

Amendment¹ No. 12

Mr Norbert KLEINWÄCHTER, Germany, European Conservatives Group and Democratic Alliance

In the draft resolution, delete paragraph 8.

Explanatory note

The Covid passport has never facilitated free movement between member states. In most states, it has severely restricted participation of a specific group of people - the unvaccinated - in social activities. This discrimination is a severe infringement of the human rights of those affected.
