

Doc. 15591
23 January 2023

Addressing the issue of Daesh foreign fighters and their families returning from Syria and other countries to the member States of the Council of Europe

Amendment¹ No. 7

In the draft recommendation, paragraph 4.3, delete the words:

"or hybrid tribunal"

Explanatory note

Since Iraqi and Syrian systems are no longer considered an option, member States should instead consider establishing a fully international special tribunal. Pushing for a narrower range of options might at least allow for proper administration of justice, eventually enabling the Council of Europe community to ensure it.
