

Doc. 15677
23 January 2023

Conflict-related sexual violence

Amendment¹ No. 7

Ms Heike ENGELHARDT, Germany, Socialists, Democrats and Greens Group

In the draft resolution, paragraph 5.4, first sentence, replace the word "celebrating" with the following word:

"honouring"

Explanatory note

In this context the word "honouring" seems more appropriate than "celebrating". Also it is suggested to change the phrase "the need to help them and to give them a voice" with "the need to provide platforms for them to express their needs" to focus on the expression of their needs.
