## Conflict-related sexual violence

### Amendment<sup>1</sup> No. 8

Ms Heike ENGELHARDT, Germany, Socialists, Democrats and Greens Group

*In the draft resolution, paragraph 11, first sentence, replace the words "International organisations and non-governmental organisations working in peacekeeping operations have not been exempt from using their positions" with the following words:*

"International organisations, non-governmental organisations, and their members working in peacekeeping operations are no exemption from using their positions"

#### *Explanatory note*

It is important to include the members of the organisation to show their responsibility in this context, too. Further, using "no exemption" instead of "have not been exempt" eliminates the passiveness.
