

Doc. 15738
24 April 2023

Political strategies to prevent, prepare for, and face the consequences of natural disasters

Amendment¹ No. 9

tabled by the Committee on Social Affairs, Health and Sustainable Development

In the draft resolution, after paragraph 8.2, insert the following paragraph:

"take account of the role of international humanitarian organisations when preparing their national strategies for disaster risk reduction, so as to facilitate the deployment of such organisations in disaster regions;"

1. 2023 - Second part-session
