

Doc. 15778
20 June 2023

Public health emergency: the need for a holistic approach to multilateralism and health care

Amendment¹ No. 8

In the draft resolution, replace paragraph 9.2.4 with the following paragraph:

"initiate a process of reform of international trade agreements, with the aim of correcting and preventing inequities in accessing health goods, facilities, services and technologies critical to preventing, preparing for, responding to, and recovering from public health emergencies;"
