

Doc. 15787
21 June 2023

Transnational repression as a growing threat to the rule of law and human rights

Amendment¹ No. 2

In the draft resolution, delete paragraph 6.

Explanatory note

Türkiye combats the Fetullahist Terrorist Organization (FETÖ), an organisation which attempted to stage a coup, within the framework of rule of law and its international human rights obligations. This paragraph does not reflect the truth and also undermines Türkiye's efforts combatting FETÖ.
