Political consequences of the Russian Federation's aggression against Ukraine

Amendment¹ No. 9

Ms Olena KHOMENKO, Ukraine, European Conservatives Group and Democratic Alliance

In the draft resolution, after paragraph 24.2, insert the following paragraph:

"reiterates its concern that the inability of the United Nations and its Security Council to counter the Russian aggression because of an abuse of the right to veto is an existential threat to the international rule-based order and the democratic security of Council of Europe member States. In this respect, the Assembly supports all efforts and discussions seeking to unblock the situation at the United Nations and enabling it to deliver on its mandate."
